## THE JUDSON COLLEGE-AM

The Judson College-Am matches college golfers who are a part of the Judson Collegiate with business leaders and experts who share similar career interests; facilitating a mentoring and educational experience that lasts beyond the golf course. This event offers these golfers a unique opportunity to experience what it's like to cultivate, manage, and sustain relationships in an environment requiring composure, grace, competitiveness, and social skills. This important fundraiser takes place on the first day of the Judson Collegiate event and supports scholarships for college attendees to the Judson Women's Leadership Conference.
